People Supporting Independent Living and Leisure (PSILL Inc.) is a 501 (c) (3) agency whose mission is to provide services to adults with developmental disabilities. I am a very proud supporter of this organization and hope that you will be also.

PSILL Inc. was formed to help individuals with development disabilities live independently as adults. We meet regularly, host informative speakers, and put on fundraisers throughout the year. We, in turn, find ways to use these funds to assist our young adults in significant ways, such as offering interest free loans to students/consumers, providing bus tickets and taxi expenses for work and community activities, pay for chaperones to accompany our young adults on trips, fund staff to run an overnight apartment, advance rent, security deposits and apartment essentials as needed, and so much more. None of the services we fund would be available otherwise.

We are having our 15th annual Benefit Dance on Friday March 26, 2010 at Hawthorne Country Club. This year's theme will be a "Sports Theme". This fundraiser will also include a drawing of various prizes. We would be very grateful if you could contribute a gift or gift card to be included in our drawings. All donors will be included in the evening's program.

We are also selling ads for the Ad Program.

The ads will be _____ \$25 1/4 page _____ \$50 1/2 page _____ \$100 Full Page

You can purchase more than one ad if you choose.

Please send an ad or business card along with the donation.

If you have any questions or concerns you can contact Sherri Tetrault at 508- 997-5997

All of the funds raised will go directly to the individuals we are servicing. There are no administrative salaries paid with this money, as all the people associated with PSILL are volunteers.

We appreciate your consideration. Thank you from the bottom of our hearts for recognizing their hard work and showing your pride in our children!

Sincerely,

Sherri Tetrault
